## Keeping The FAITH

*I love him.  
It's only for what I am  
that for what I am  
when I am with you.*  
—*W. G. Sebald*

This gentle sentiment speaks powerfully of true friendship which is the real basis for every good marriage. Even with the current popularity of alternative lifestyles, remarriages, trial marriages and the like, in the minds of most young people marriage still means two persons making a long-range commitment. However, in an age of so much uncertainty in social, political, economic and moral questions, couples who are contemplating union in marriage should investigate the realities involved.

## PRESIDENT'S REPORT

While detailed statistics are provided in the following pages of this report, we feel that a summary of the highlights will provide a useful perspective.

### DISTRIBUTION

We are pleased to be able to record that despite a slight decrease in our total distribution, the portion representing sales, as detailed in the accompanying statistics, showed a respectable increase, particularly among retailers and bookshops attached to educational institutions, both religious and lay.

The accompanying data reveals a printing schedule, including some 8500 volumes of old and new titles and close to 55,000 items in brochures, newsletters, date books, flyers, etc. for our own account. We are also undertaking in co-operation with the Iungerich Fund, a reprint of 7,000 copies of Warren's *Compendium of Swedenborg's Theological Writings*, largely purchased by the Southern Swedenborg Federation, for free distribution to college, university and public libraries.

In addition, we have purchased nearly 5,000 volumes from various suppliers.

Grants have included a sharing of costs of publication of foreign language translations in French, Spanish, Danish and Japanese, plus completion of Volume VIII and the Appendix of the revised Latin edition of *Arcana Coelestia*.

Considerable work has been expended on the preparation in Spanish of *Heaven and Hell*, *Marriage: Ideals and Realizations*, and *The Essential Swedenborg*.

Another grant has been made to enable the Rev. George Dole to complete a new English translation of *Heaven and Hell*.

### FINANCES

The audit of our books reproduced herein reveals an actual deficit of close to \$14,000 against our estimated deficit of nearly \$34,000.

Gifts received during the year totalled about \$20,000 and were credited to the capital account.

While the book value of our investments increased by a little over \$3,000, the quoted market value of our portfolio decreased by some \$50,000; somewhat less than might have been expected in the light of market conditions.

### ADMINISTRATION

Your board continued its regular monthly meetings with the usual exception of the summer months and that of January, due to severe weather conditions. The Editorial and Publication Committee and the Executive Committee held separate meetings on all these dates, and the latter also met once during the summer months; The Investment Committee met

several times as occasion required.

The work of the Editorial and Publication committee was unusually heavy and varied, including the review of the larger than usual number of manuscripts and petitions for grants, with formulation of recommendations for submission to the Executive Committee.

### EXECUTIVE COMMITTEE

The nine meetings held were extremely busy ones, studying and passing on recommendations submitted.

### LAW COMMITTEE

This committee was called on for guidance in the handling of a number of somewhat complicated legacies and estate matters. It arranged for legal representation to handle the matter of establishing the confirmation of our status as a tax exempt public foundation under the Federal Tax Reform Act of 1969, rather than a private foundation subject to income tax. Following an audit by the I.R.S., this case was decided in our favor.

Also counsel represented us in defending our tax-exemption privilege in connection with the N.Y. City Real Estate Tax. We were able to obtain a reversal of an initially adverse decision. However, the City may appeal the matter to a higher court.

### ADVERTISING COMMITTEE

This past year radio spots having proved disappointing; we have been experimenting with new areas, stations and times with equally unsatisfactory results.

Our listings in various organizational catalogs have, we feel, produced a steady feedback which we consider warranting their continuation. We have also experimented with some journal ads with poor results and certain newspaper advertising has not been productive enough to warrant continuation. However, the "Keeping the Faith" series through the *Precis* organization, has produced a gratifying feedback. We also contracted for T.V. spots through *Precis* and have received advice that 300 spots were supplied to local stations. To date 49 stations have aired the spots reaching an audience of some 33 million viewers.

### EXHIBITS:

Frankfort, Germany—International Book Fair  
Union of American Hebrew Congregations, Biennial Convention—N.Y. Hilton  
Boston Globe Book Festival—John B. Hays Auditorium (jointly with Mass. N.C. Union)  
American Literary Ass'n.—New York City  
Soc. for the Scientific Study of Religion, Sir Francis Drake Hotel, San Francisco where a speaker, Dr. Theodore Klein was provided.

## LECTURES:

We arranged for Dr. William Woofenden to give an introductory lecture on Swedenborg's teachings to a Wagner College class on Religion.

At the request of Univ. of Calif. Chico Campus, we commissioned Mrs. Alice Sechrist to record a lecture on "Swedenborg and Blake" for an English Seminar on Blake.

One segment of a course entitled "Esoteric Philosophies" at the New School for Social Research in New York City featured Trobridge's Swedenborg, Life and Teaching.

At New York City's School of Visual Arts, Mr. Harvey Stevens conducted a course called "Conscious Awareness for the Twentieth Century Man" which embraced Swedenborg's philosophy.

A book review release on the reprint of *Introduction to Swedenborg's Religious Thought* was mailed to 360 book editors.

We continue to supply our paperback books for distribution to Houses of Detention through clergy, and in one instance to a nun of the Sisters of Charity Order.

## ESSAY CONTESTS:

None was held during the fiscal period but we are currently preparing the groundwork for one at Urbana College for the coming year.

## WORK FOR THE BLIND:

Arrangements have been made with Miss Lillian Gish to tape her reading of Helen Keller's *My Religion* through the facilities of the American Foundation for the Blind.

We are planning to have available a supply of cassettes and tapes of other available material to supplement our sparse catalog list.

## BUILDING:

Refinished facade and sides of building

Repaired roof and skylights

Replaced broken fire protection water pipelines.

## LIFE MEMBERSHIP:

Five new members were elected, ten deceased, leaving a total of 322.

## AD HOC COMMITTEES:

New Ad Hoc Committees have been appointed in connection with preparation for the Bi-Centennial Celebration and in response to Dr. Van Dusen's recommendation to establish a Medal of Merit Award for outstanding contributions in stimulating general interest in Swedenborg.

## STAFF:

Our full-time salaried personnel continues the same as at the beginning of the period. We have lost the services of Mrs. Janet Tracy due to her departure to Florida, but have been fortunate in finding a successor in Mrs. Winifred Kehoe. Our former part time student collaborators have had to move on to higher ground and have been replaced. We have added Mrs. Mercedes Prieto and Ronald Walker to our part-time roster. Mr. Ruhl has continued to provide his invaluable service, particularly in connection with the Newsletter.

This year marks the 10th Anniversary of Miss Mary Vindish's employment with the Foundation and we take this occasion to express our gratitude for her decade of efficient and loyal service.

To our Manager, Mrs. Virginia Branston and our Executive Secretary, Tom Spiers we continue indebted for another year of gratifying results.

Philip M. Alden  
President

# SWEDENBORG FOUNDATION, INCORPORATED

TOUCHE ROSS & CO.

1633 Broadway  
New York, New York 10019

May 3, 1974

Board of Directors  
Swedenborg Foundation, Incorporated  
New York, New York

We have examined the statement of net assets of Swedenborg Foundation, Incorporated (a New York membership corporation) as of March 31, 1974, and the related statements of revenues, costs and expenses—General Fund, and changes in net assets for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. Marketable securities were confirmed to us by the custodian. As to income from grants, bequests and gifts, it was not practicable to extend our examination beyond accounting for receipts as recorded.

In our opinion, which with respect to grants, bequests and gifts is limited to those recorded on the records, the aforementioned statements present fairly the net assets of Swedenborg Foundation, Incorporated at March 31, 1974, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

## NOTES TO FINANCIAL STATEMENTS MARCH 31, 1974

### 1. INVESTMENTS IN MARKETABLE SECURITIES

Stocks are carried at cost and bonds at amortized cost. Premiums on bonds are being amortized from dates of purchase to the respective maturity dates.

The details of the marketable securities are as follows:

	Quoted market	Amortized cost
Preferred and common stocks	\$ 758,180	\$ 678,903
Corporate bonds	331,561	415,884
U.S. Government obligations	115,575	127,280
	<u>\$1,203,316</u>	<u>\$1,221,867</u>

### 2. BOOKS AND PRINTED SHEETS

The books and printed sheets are valued at cost.

### 3. PENSION PLAN

The Foundation has a nonvested, noncontributory pension plan for regular employees. The charge to expense for the year ended March 31, 1974 was \$6,000. The funds accumulated to March 31, 1974 for this purpose of \$38,160 (including interest of \$5,560) are on deposit in a savings account. A liability for the \$38,180 is included in accounts payable.

### 4. LAND AND BUILDING

Land and building, at cost, are summarized as follows:

Land		\$ 92,000
Building and improvements	\$ 178,427	
Less accumulated depreciation	30,356	148,071
		<u>\$ 240,071</u>

Depreciation of building and improvements is provided by the straight-line method over the estimated useful life of forty (40) years.

### 5. REMAINDER INTERESTS IN ASSETS

(a) The Foundation has a one-half interest in the residuary estate of John Hudson Chambers represented by assets held in Canada. The assets are being carried at quoted prices at December 31, 1926 (approximate market at March 31, 1974—\$125,100). The assets are distributable under the terms of the Will after the death of certain life tenants. Fixed annuities are payable, if earned, to various beneficiaries during their lifetime from the income of the major portion of these assets, any excess of income being paid to the residuary legatees. The income from the remainder of the assets is shared by other life tenants (or their surviving widows). The residuary legatees share in the income to the same extent as enjoyed by the deceased life tenants during their lifetime.

(b) The Foundation has a one-half interest in the residuary estate of John O. West. This estate is estimated to

# SWEDENBORG FOUNDATION, INCORPORATED

be valued at approximately \$120,000. Under the terms of the Will, final distribution is to be made in 1975. The amount of the eventual distribution to the Foundation by the estate is not determinable at this date.

- (c) The Foundation has the sole interest in the estate of Laurence B. French. This estate is estimated to be valued at approximately \$110,000. At the present time, the Will is being contested by the administrator of the estate of the wife of the decedent. An asset of \$1,286 representing legal fees disbursed has been recorded.
- (d) The Foundation has a residuary interest in the estate of Louise Dabney after specific bequests to other decedents aggregating \$6,500. This estate has been recorded at a nominal amount of \$1 pending settlement.
- (e) The Foundation has received a specific bequest of \$5,000 in the estate of Anne L. York. At the present time, it is not known if the estate has sufficient assets and, therefore, this estate has been recorded at a nominal amount of \$1 pending settlement.
- (f) The Foundation has a remainder interest in the estate of Robert Braden. The remainder interest is estimated at approximately \$10,000. Under the terms of the Will, final distribution is to be made on the death of the life tenant. The amount of the eventual distribution to the Foundation, by the estate, is not determinable at this time, therefore this estate has been recorded at a nominal amount of \$1 pending settlement.

## 6. FUNDS RESTRICTED FOR SPECIFIC PURPOSES

The fund for specific purposes consists of the following:

Gift of John Ellis—to distribute "Arcana Coelestia" Vol. 1, to all clergymen and theological students	\$10,000
---	----------

A perpetual Helen Keller Memorial Fund for work for the blind	512
	<u>\$10,512</u>

In prior years, the Foundation received certain gifts and bequests (in addition to a \$40,000 general bequest) from John Ellis as follows:

(a) Bequest to supplement the \$10,000 above, if additional amount is required, otherwise for general purposes	\$20,000
(b) Bequest with prayer to use for specific purpose	<u>10,000</u>
	<u>\$30,000</u>

The Board of Directors of the Foundation believes that no part of the \$20,000 bequest (Item (a) above) will be required for the purpose specified in the gift and has classified this amount as general funds. Although it is the intention of the Foundation to carry out the purpose set forth in the prayer with respect to the \$10,000 bequest (Item (b) above), the Board of Directors voted to treat this item as an unrestricted bequest.

## 7. RESTRICTED GIFT

During the year the Foundation received a \$15,000 gift from Alice S. Sechrist and Eleanor Allen which was subsequently invested in a four-year, 8% savings certificate maturing August 21, 1977.

The gift agreement provides that the Foundation hold the principal in trust and distribute the income to the donors during their lifetime. On the death of the donors, the restriction on the principal terminates. The donors have retained the right to withdraw all or part of the principal in the event of illness or emergency.

## 8. SPECIAL LEGAL EXPENSES

As a result of an examination by the Internal Revenue Service as to whether the Foundation has the status of a public foundation under the Tax Reform Act of 1969, after conferences and submission of a brief by legal counsel, it was ruled that the Foundation continue as a public foundation and that it is not subject to tax on its investment income. Legal services in connection with this dispute aggregated \$8,000.

During 1972, the City of New York rescinded the Foundation's real estate tax exemption as it applied to the nonleased portion of its building. The Foundation contends that its exemption should be reinstated. The Foundation has paid under protest real estate taxes of \$9,841, of which \$4,555 relates to the current year. The Foundation has brought an action against the City to refund the disputed amounts paid and to cause the City to grant an exemption from real estate taxes applicable to the nonleased portion of the building. Judgment in favor of the Foundation was rendered on January 31, 1974; however, the City has appealed the judgment and that appeal is presently pending, thereby staying its effect. Legal services in connection with this dispute aggregated \$8,000.

## 9. ACCOUNTING CHANGES

The American Institute of Certified Public Accountants has published an industry audit guide for voluntary health and welfare organizations, effective for fiscal years beginning on or after July 1, 1974. The financial statements for the year ended March 31, 1974 have not been prepared in accordance with the guide. The principles adopted will require, in the future, that:

- (a) Donor restricted and endowment funds be accounted for separate from current unrestricted and board designated restricted funds.
- (b) These be presented separately on a balance sheet and a statement of support, revenue and expenses and changes in fund balances.
- (c) Transfers between funds be accounted for as transfers and not reported as revenue and expense in the various funds.
- (d) The foundation allocate the gains and losses on sales of securities to the various funds.
